Betreft: Reverence Blygold Netherlands

To whom it may concern,

I hereby declare that we have treated our condensors for the last 14 years with the Blygold procede with great satisfaction.

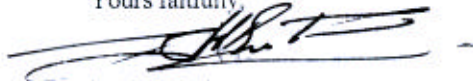

We dont have any corrosion problems and a better output on the machinery.

All together we are very pleased that we did treat all our machinery with this procede.

I do recommend you to do the same,

Iff you want any futher information dont hasitate to contact me,

Yours faitfully,

ing. J.H. Enthoven
