Soest, 19 mei, 2004

**- To whom it may concern -**

Trane the Netherlands herewith declares that for the last 20 years the coils of our condensers have been coated by Blygold the Netherlands to protect the coils from environmental corrosion.

The result of this protection is to our full satisfaction.

For more detailed information you can contact the undersigned at Trane the Netherlands in Soest, the Netherlands.

Very truly yours,  
TRANE

Mr. J.L.Q. Meijnen  
Commercial Support Manager
